## Bylaws of the Congressional Crypto Caucus

### **Article I: Name and Purpose**

#### Section 1. Name

The name of this organization shall be the Congressional Crypto Caucus (hereinafter referred to as "the Caucus").

## Section 2. Purpose

The purpose of the Caucus is to serve as a bipartisan forum for Members of the United States House of Representatives to engage in substantive discussions, legislative initiatives, and educational activities concerning cryptocurrency, blockchain technology, and digital assets. The Caucus shall endeavor to promote well-informed policymaking and facilitate collaboration among lawmakers, industry stakeholders, regulatory bodies, and other interested parties.

## **Article II: Membership**

## Section 1. Eligibility

Membership in the Caucus shall be open to any duly elected Member of the United States House of Representatives who affirms and adheres to the principles and objectives of the Caucus.

## Section 2. Membership Requirements

To maintain good standing and active membership within the Caucus, a Member shall:

- 1. Formally endorse and adhere to the stated principles of the Caucus; and
- 2. Attend no fewer than 50% of regularly scheduled Caucus meetings within a given calendar year.

#### Section 3. Removal of Members

A Member may be removed from the Caucus upon a determination by the Co-Chairs that the Member has failed to satisfy the participation requirements set forth in these Bylaws or has engaged in conduct that is inconsistent with the principles or mission of the Caucus. The Co-Chairs shall have sole discretion in making such determinations, provided that due notice is given to the affected Member.

## **Article III: Leadership**

#### Section 1. Caucus Co-Chairs

The Caucus shall be led by at least two (2) Co-Chairs, with one (1) representing each major political party to ensure bipartisan leadership and governance.

## Section 2. Powers and Duties of the Co-Chairs

The Co-Chairs shall have the authority and responsibility to:

- 1. Establish and oversee the strategic priorities and agenda of the Caucus;
- 2. Convene, preside over, and moderate Caucus meetings and deliberations;
- 3. Represent the Caucus in legislative, public, and policy-related discussions; and
- 4. Nominate Members to serve as Specialized Co-Chairs for designated subject matter areas within the cryptocurrency and blockchain policy space.

## Section 3. Specialized Co-Chairs

The Co-Chairs may designate Specialized Co-Chairs to lead discussions and initiatives on distinct policy areas related to cryptocurrency and blockchain technology. The Co-Chairs will establish these distinct policy areas at their discretion. The Specialized Co-Chairs shall be nominated by the Caucus Co-Chairs and confirmed by a majority vote of the active Caucus membership.

## **Article IV: Meetings and Events**

#### Section 1. Regular Meetings

The Caucus shall convene no fewer than four (4) times per calendar year to discuss legislative priorities, regulatory developments, and industry advancements relevant to cryptocurrency and blockchain policy. Additional meetings may be scheduled at the discretion of the Co-Chairs.

#### Section 2. Mandatory Events

The Co-Chairs shall have the authority to designate specific meetings, briefings, or industry engagements as mandatory events for active Members. These may include high-level discussions with federal regulators, oversight hearings, or major industry summits. Members shall be required to attend a majority of such designated events to retain active status within the Caucus.

## Section 3. Public Events and Briefings

The Caucus shall periodically host public educational events, briefings, and roundtable discussions open to Members of Congress, congressional staff, and invited industry stakeholders. The purpose of such events shall be to foster dialogue on key policy issues and to facilitate engagement between policymakers and subject matter experts.

# **Article V: Adoption and Effective Date**

These Bylaws shall take effect immediately upon approval by the founding Co-Chairs of the Congressional Crypto Caucus and shall remain in force unless and until amended by a majority vote of the active Caucus membership.
